Dear Sir,

Please find attached TKIL and TSL stamp approval on belt changing device drawing.

Following approval, provide documents as below:

1. Confirm final belt changing device additional price offer i.e., Rs 28,25,000 /-
2. Please submit the calculation on belt pull & power calculation as per last CRS,
3. Please submit calculations for bolt grade selection as per last CRS,
4. Electrical documents as applicable,
5. O&M Manuals,
6. Lubrication schedule in attached format,
7. Any other documents if applicable.

Awaiting your consolidated reply on above.

Regards,

Jayesh Khune

Subject: Re: 3M.0082_TSK_Vertical Coal Storage Shed & Equipment : GA of coiler and De-coiler (Belt Changing Device)_Rev.1

Dear Sir,

The mentioned fabricated plummer block with PB bush is Synergy's proprietary item. Since this is not a standard plummer block no manufacturer produces the same. This plummer block with PB bush for easy removal of the shaft.

Hope we have clarified the point.

Regards,

B.R.Das
